Summer of 2021

Summer of 2021—a new season of fun and freedom!

Our first two car shows have been quite successful. Our next two will be just as successful.

It's amazing to see the car community work the way they do.

You know what's sad, though? I don't even know what to write for these articles any more. Maybe I need a break more than I realize. I'm standing here, in front of my computer, wondering what to write.

My first newsletter for the Gents Auto Club was published in September 2011. Steve Wohl was Vice President, Jack Haley was treasurer, and John Conne was secretary (hey, I know who we can nominate for next year's secretary... !)

I had just been voted in as a member—barely. I remember being told that some members hesitated on letting in a 4-door car. I was honored to become a member. Thank you!

But the time has come for me to step back and let someone else play a part.

Per the club bylaws, the secretary is responsible for keeping the minutes, work with the treasurer to maintain the membership list, give notice of all meetings (regular and special), handle club correspondence, and keep custody of all records of the club. Since the newsletter was just something I've enjoyed doing, the new secretary can decide whether or not to keep doing it.

The Gents are a good club and I hope that continues for many years to come.

Looking for a random, boozy romp off the beaten path? Jackpot. This is a cute-looking house-turned-bar in the middle of a dirt parking lot in the East Hillyard industrial area. Check out the plethora of dog pictures and isms adorning the walls. Then avail yourself of digital bowling, a candy dispenser, pool and one giant-ass TV. (BT)
